

# STORAGE

**Clark Moving & Storage, Inc.** has been providing storage solutions since 1985. For many people, the need for storage is inevitable. Perhaps you're ready to move but your new home isn't. Or, you want to unclutter your current home as you prepare it for sale; while others may need temporary storage during house-hunting. Maybe you're not moving at all but are renovating your home and need temporary storage.

Whatever your storage demands; our flexible storage solutions offer convenient, safe and affordable ways to protect your items away from your home.

Look to **Clark Moving & Storage, Inc.** for all your storage needs including:

- Containerized storage
